

*In this Newsletter:*

1. Reprint of IAEE Guidelines for Earthquake Resistant Non-Engineered Construction
2. Reprint of EERI Monograph on "Fundamentals of Seismic Protection for Bridges" by Mark Yashinsky & M. J. Karshenas
3. National Workshop on Introducing Earthquake Resistant Design in Architecture Curriculum, 28-29 November 2004, IIT Kanpur
4. Visit of Professor Andrew Charleson to IIT Kanpur
5. 2nd Indian International Conference on Artificial Intelligence (IICAI2005), 20-22 December, 2005, Pune, India
6. Call for Paper on Special Session on Natural Computing in Infrastructure Engineering and Management at IICAI2005

*Details:*

1. Reprint of IAEE Guidelines for Earthquake Resistant Non-Engineered Construction

National Information Center on Earthquake Engineering (NICEE) has reprinted the IAEE manual "Guidelines for Earthquake Resistant Non-Engineered Construction".

Interested persons in India may request a free copy by sending an email with their complete name, affiliation, organisation and postal address to [nicee@iitk.ac.in](mailto:nicee@iitk.ac.in)

To enable NICEE to undertake more such activities for dissemination of earthquake engineering information, a payment of Rs. 100/- per copy is recommended but is not mandatory. The cheque or draft should be payable to "Indian Institute of Technology Kanpur" and mailed to Ms. Snehal Kaushik, Department of Civil Engineering, Indian Institute of Technology Kanpur, Kanpur 208016. Outstation cheques will be accepted.

2. Reprint of EERI Monograph on "Fundamentals of Seismic Protection for Bridges" by Mark Yashinsky & M. J. Karshenas

National Information Center on Earthquake Engineering (NICEE) has reprinted the EERI Monograph on "Fundamentals of Seismic Protection for Bridges" by Mark Yashinsky & M. J. Karshenas for distribution in India only. The original monograph of EERI is priced at US \$45.00 (about Rs. 2,000/-).

Interested persons in India may request a free copy by sending an email with their complete name, affiliation, organisation and postal address to [nicee@iitk.ac.in](mailto:nicee@iitk.ac.in)

To enable NICEE to undertake more such activities for dissemination of earthquake engineering information, a payment of Rs. 200/- per copy is recommended but is not mandatory. The cheque or draft should be payable to "Indian Institute of Technology Kanpur" and mailed to Ms. Snehal Kaushik, Department of Civil Engineering, Indian Institute of Technology Kanpur, Kanpur 208016. Outstation cheques will be accepted.

3. National Workshop on Introducing Earthquake Resistant Design in Architecture Curriculum, 28-29 November 2004, IIT Kanpur

Department of Civil Engineering, IIT Kanpur is organising two days National Workshop on Introducing Earthquake Resistant Design in Architecture Curriculum, 28-29 November 2004, IIT Kanpur. For more details contact:

Dr. K. K. Bajpai  
Sr. Scientific Officer  
Department of Civil Engineering  
IIT Kanpur  
Phone: 0512-2597859; Fax: 0512-2597866; Email: [kunwar@iitk.ac.in](mailto:kunwar@iitk.ac.in)

4. Visit of Professor Andrew Charleson to IIT Kanpur

---

Professor Andrew Charleson from School of Architecture, Victoria University of Wellington, New Zealand, is visiting IIT Kanpur from 25 November 2004 to 7 January 2005 under the National Programme on Earthquake Engineering Education (NPEEE). Professor Charleson's research interests fall into two broad areas – the relationship between structure and architecture, and earthquake engineering/architecture.

5. 2nd Indian International Conference on Artificial Intelligence (IICAI2005), 20-22 December, 2005, Pune, India

---

For more details visit <http://www.iiconference.org/>

6. Call for Paper on Special Session on Natural Computing in Infrastructure Engineering and Management at IICAI2005, 20-22 December 2005

---

Call for Paper on Special Session on Natural Computing in Infrastructure Engineering and Management at IICAI2005. The Draft paper should reach at IIT Kharagpur before 1<sup>st</sup> July 2005. For more details contact:

Prof. Sudhir Kumar Barai  
Department of Civil Engineering  
Indian Institute of Technology Kharagpur  
Kharagpur 721 302

Email: [skbarai@civil.iitkgp.ernet.in](mailto:skbarai@civil.iitkgp.ernet.in)

Phone: 91-3222-283408

Fax: 91-3222-282254

---

This announcement is forwarded to you through the National Information Center of Earthquake Engineering @ IIT Kanpur.
